

RESOLUTION NO. 2071

W H E R E A S, the crossing and underpass of Turner Road at the Southern Pacific main line tracks has created an obstruction to the free flow of traffic; and

W H E R E A S, said underpass and crossing is now and for many years has been inadequate to serve the vehicular traffic that should use Turner Road thereby increasing the flow of traffic on other crossings of the Railroad within the City of Lodi; and

W H E R E A S, the construction of an interchange on Highway 99 and Turner Road will increase the traffic flow on Turner Road; and

W H E R E A S, said Turner Road underpass and crossing are entirely inadequate to handle the present and future traffic flow of Turner Road; and

W H E R E A S, for many years the citizens of Lodi and the Lodi District Chamber of Commerce have been demanding the construction of a proper and adequate underpass at Turner Road and said Railroad tracks; and

W H E R E A S, the City Council of the City of Lodi desires to construct an underpass at the above location and is willing to participate in its share of the costs in said construction;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Lodi that it does hereby express its intention and desire to proceed with the construction of the Turner Road underpass and that it is willing, desirous, and able to participate in the cost of construction of said underpass in an amount to be later determined either by negotiation or by

order of the Public Utilities Commission.
